

FG Playgroup

Discovering the world together

FG Playgroup is the perfect place to enter the world of education and offers good preparation for FG Early Years. We foster creativity, social skills and personal abilities one or more times per week in small groups.

In FG Playgroup,

- in a **friendly atmosphere**, we make it easier for your child to be away from those they are closest to and integrate into the group
- we foster **creativity, social skills and personal abilities**
- your child can discover what they can do **through play**
- your child benefits from **early German support**

Loving care from trained playgroup personnel slowly supports your child in being away from those they are closest to within a protected environment. Your child will learn to integrate into a group, formulate their desires and needs, assert themselves and show consideration. In short, they will learn to establish strong relationships with others.

Through play, your child will hone their senses and develop their gross and fine motor skills using a wide range of materials. The focus is on discovery and experience as well as the fostering of creativity. Early German support supplements the offering and prepares your child for the new linguistic environment that awaits them at nursery.

The playgroup personnel offer children over the age of three the scope to take part in activities at their own pace and unleash their creativity. They also set clear boundaries that the children can use for guidance. Routines ensure that each individual child feels secure and well looked after in the group.

What does a playgroup offer parents and guardians?

The playgroup offers parents and guardians the chance to establish contact with one another and exchange experiences. They also receive valuable ideas and tips from our teachers relating to the development of their child.

Playgroup times

The playgroup is open Monday to Friday from 8:45 to 11:45 a.m. and also from 1:45 to 4:45 p.m. on Mondays and Tuesdays. No playgroup is offered during school holidays or on public holidays and extra days off.

Taster days at FG Playgroup are possible at any time. We will be happy to provide you with information about all aspects and present the school to you. We look forward to meeting you:
