

Holiday Adventure

Autumn Holidays

1 – 5 October 2018

For children between the ages of 4 and 12

Dear parents and legal guardians

Dear children

After a long, hot and dry summer the chillier season with the occasional spell of rain seems like a wonderful blessing. It is the perfect setting to explore the wonders of nature and the mythical world of autumn.

We are looking forward to welcoming you, as well as any siblings, friends, relatives or neighbours who may wish to join you, in the first holiday week whose theme will be „Witches and Druids.“

Witches and Druids

We will be delving into the world of fabulous figures and mysterious phenomena which we encounter in autumn season. We will be listening to riveting stories, roaming the woods looking for adventures and finding our way through a maze. We just might turn into mysterious figures ourselves! And what would autumn season be without pumpkins!? As always, you will help to cook your own lunch and enjoy healthy snacks every day.
